

## CHAIRMAN'S REPORT – CLUB 100 AGM – 22 June 2017

The club has had another successful year and I would like to thank all our members for their participation in the Club's activities during the past year.

We are very fortunate that Doug Ryder has again agreed to allocate some of his Pro team Sponsorship to the Club for 2017. This effectively means that Club100 is closer than ever to **Team Dimension Data** in support of **Qhubeka**. The other major sponsors of the Pro Team are **DELOITTES** and **NEDERBERG**.

Doug has given the Club R1 000 000 for 2017, this is extremely generous of Doug , and I am sure you all join me in thanking Doug .

### BRANCHES

---

The Club has branches in Cape Town and The Garden Route (Plettenberg Bay and Knysna ). Our thanks to the committees in those branches for their hard work .

### ADMINISTRATION

---

We all owe a huge thanks to Angie for keeping our communication and administration operating so efficiently.

### FINANCIAL

---

Ron Van Haarlem will report separately on the state of the Club's finances. As at 31 December 2016 Member's Funds stood at R 722 642 (2015 R606 908).

It is proposed that annual fees be increased to R850 for 2018. I am sure you will all agree that that these fees are very reasonable, bearing in mind the real costs of running the Club. It is only through the support from Doug that we are able to have this level of fees and still have all the benefits which are available to members. 2018 fees are payable from October and due by 31 December 2017.

### COMMISSIONS

---

I am sure that you would all join me in thanking the marshals for their tireless work at both MTB and Road Club rides.

Our road racing teams (Ladies and Vets) have had to make do with a limited budget, and have continued to carry the Club100 name at road races. The teams have performed very well. Thanks to Richard Lee in this regard.

Thanks to Sean Gallick for his contribution in running our MTB club. We would also like to thank Neil Sleight for his efforts in marshalling the MTB rides at Northern Farm, including the beginner classes, and for arranging free entry into Northern Farm. This is subject to members having a Club100 membership card and wearing Club100 kit.

We successfully launched our Tri-club with **ISUZU TRUCKS SA** as a partner. Thanks to Peter Whale for this sponsorship .

## **TEAM DIMENSION DATA IN SUPPORT OF QHUBEKA**

---

The Club is very proud to be associated with TEAM DIMENSION DATA who successfully competed in their second Tour De France last year. The results for the year were numerous but included 5 stage victories at the Tour De France.

In 2016 the Team became a World Tour team. This means that they gain automatic entry into all the major races and tours in the world.

The team has already won 15 races this year, as well as winning two tours.

The Club is extremely proud to be so closely associated with Africa's Team.

All members are encouraged to follow the team on social media and to "Like" the team at every opportunity.

## **QHUBEKA – Bicycles Change Lives**

---

We continue with our strong association with Qhubeka in which people earn bikes which improve access to schools, clinics and jobs. I encourage all members to continue to support QHUBEKA. Introduce your companies to the opportunity of being part of something that is changing Africa one bike at a time. Each bike makes a huge difference to the recipient. Qhubeka has already supplied thousands of bikes in South Africa. I urge you each to go to a hand over of bikes to experience the impact that it makes to each person who has earned a bike.

## **COMMITTEE**

---

Finally I would like to thank all the members of the committee for their efforts in the past year. It is a great privilege to work with such competent people.

The committee members have all indicated their willingness to stand for another year.
